

Gigaspeed Technology Sdn Bhd (GTSB)

Being in a small and medium sized industry does not diminish GTSB commitment to be a responsible corporate citizen. We are committed to protecting the environment, use of resources sustainably and improve the communities we live in. We have set some goals for ourselves which are listed below.

Program Initiatives

- Reduce use of Energy
- Minimize Waste
- Create awareness on responsible practices that have an impact on society and environment

Contribute to a Greener World

We have adopted the energy-efficient LED lighting at all our offices since 2010 to reduce energy consumption. Energy-efficient lighting solutions remains one of the simplest, most cost-effective ways to improve efficiency and reduce operating expenses. Where ever we can, equipment and appliances deployed in our facilities uses energy-savings technologies to help in reducing our carbon footprint and gas emissions.

GTSB capitalise on the 3R's or Reduce, Reuse and Recycle to reduce waste and it is the most widely practiced at work space. Be it paper, files, empty ink cartridges, boxes, plastics etc. The practices also extend to job site we worked where boxes and waste are disposed of at designated and approved venues.

From the pandemic, we learned to leverage technology where we can, to eliminate the need to travel. We also encourage our drivers to refrain from idling while waiting to save energy consumption.

The GTSB team seeks to source products, components and materials from companies that share our values.

Giving Back and Contribute to our Community

Each of us can make it a better world. We believe in giving back to our community and contributing to society. All of us at GTSB are encouraged to become active and get involved in causes and charities that each of us care about. Some of our past events; (listed below is example only)

- Gold sponsor at A Jeffrey Cheah Foundation in aid of National Kidney Foundation at 'Choral Serenade to Music' night in 2017 featuring Choir of Gonville & Caius college, University of Cambridge with Malaysian Philharmonic Orchestra.
- Charity Fund Raising 2018 - The Salvation Army
- Gold Sponsor at Jeffrey Cheah Foundation's hosted event in raising fund for SJK(C) Chee Wen in 2019 for the school's restoration work and enhancement.
- Donation to AIA Touching Lives Charity 2019
- Donation to Cultural Festival in Miri
- Donation of Wheelchairs to Kajang Hospital in 2023

In order to encourage and support our employees' effort, we have various ways to give and show that we care, such as:

- Time Off to volunteer at any Charitable Organisations or Events.

As a company that cares, we will continue to contribute and participates in a variety of other charitable causes that will improve the community we live in.
